Our club relies on volunteers to keep things running smoothly! We're counting on all members to pitch in and support at least one area of service to help us fulfill this commitment. By doing so, we maintain our IRS non-profit tax status and continue our mission as a community service and educational organization. Whether it's lending a hand at our meetings, joining in on special projects, or helping out in our public and nonprofit gardens, there are plenty of ways to get involved. Let us know what interests you and how you'd like to contribute to our club's activities or service projects!

Please tell us of any ideas you might have for programs or workshops:
